

# VA PSYCHOLOGY LEADERSHIP CONFERENCE

## ***25<sup>th</sup> Annual VA Psychology Leadership Conference “Together Again: Recharging Our Community and Reimagining Our Next 25 Years as Psychology Leaders”***

Co-Sponsored by the Association of VA Psychologist Leaders (AVAPL), the American Psychological Association (APA), and APA Division 18 - Psychologists in Public Service

**May 31<sup>st</sup> – June 3<sup>rd</sup>, 2022**

**The Westin Riverwalk**  
420 W. Market Street  
San Antonio, TX 78205  
(210) 224-6500

### **Welcome! We are so glad you are here with us!**

As of Thurs 5/26/22, the Centers for Disease Control (CDC) listed risk as “Low” and makes the following recommendation: People may choose to mask at any time. People with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask. The City of San Antonio (Bexar County) recommends masks for the Convention Center and Government buildings. For hotels and restaurants it is left to the discretion of the business. Public health data indicated the current risk is “Low and Worsening” per website <https://www.visitsanantonio.com/safersa>.

The Westin leaves masking or social distancing up to a meeting attendee’s discretion.

We understand that choosing to wear a mask or distance is therefore a personal decision. The conference planning committee acknowledges that this can be awkward either way and we encourage you to wear a mask should you choose to do so.
