Workshop: An Introduction to the MMPI-2-RF™ for VA Psychologists

Date: May 24, 2013 - 1:00pm - 4:00pm - conference room to be announced
Location: Westin Riverwalk - San Antonio, TX
Sponsored by: NCS Pearson, Inc. Contact - michelle.knoben@pearson.com or 800-627-7271, ext 263290

Presented by Yossef S. Ben-Porath, Ph.D. Kent State University

Workshop Description: This workshop is designed to familiarize attendees with the MMPI-2-RF and facilitate its use in VA Clinics. Earn 3 CE Credits.

Learning Objectives
This workshop is designed to help you:
1. Assess the rationale for, and methods used to develop the MMPI-2-RF
2. Describe the 51 MMPI-2-RF Scales
3. Interpret the MMPI-2-RF

About the Presenter
Dr. Ben-Porath is a Professor of Psychology at Kent State University. He received his doctoral training at the University of Minnesota and has been involved extensively in MMPI research for the past 27 years. He is a co-developer of the MMPI-2-RF and co-author of test manuals and numerous books, book chapters and articles on the MMPI test. He is Associate Editor of Psychological Assessment, and a member of the editorial board of several psychology journals. His clinical practice involves consulting to agencies that screen candidates for public safety positions and conducting criminal court ordered forensic psychological evaluations.
