Functional Statement Template for Supervisory Psychologist GS 14

General Instructions Functional Statements are intended to be straight-forward, concise descriptions of duties, accomplishments, and distinctions. The document should be sufficiently detailed to provide needed information for a Psychology Professional Standards Board, but can reference a curriculum vita (which must be attached in any case) to provide additional details.

I. GRADE DETERMINING ELEMENTS

+ Essential Administrative (Supervisory) Responsibilities (% of time).  
This section is grade determining.

1. Has direct or indirect (through subordinate supervision) administrative and professional supervision of subordinates. (Please list number and categories of subordinates).
2. Has line and staff authority for resource allocations within the area of responsibility.
3. Ensures efficient operation of the organizational unit.
4. Responsibilities include supervision of staff, professional management, and administrative responsibilities that are complex in scope and that constitute a significant portion of the medical center.
5. Decisions are made exercising wide latitude and independent judgment.

+Must be at least 25 % to be grade determining

Must fully meet the KSAs for the GS 13 level (see GS 13 Functional Statement). In addition, must demonstrate the following professional KSAs and demonstrate the potential to acquire the assignment specific KSAs designated by an asterisk (*):

1. Ability to effectively supervise and manage subordinate employees.
2. * Skill in assessing qualifications and abilities of current and prospective employees.
3. * Ability to develop productivity standards appropriate to each service provided and each venue.
4. Skill in interpersonal relationships, including conflict resolution.
5. Ability to deal effectively with individuals or groups representing widely divergent backgrounds, interests, and points of view.
6. * Skill in working collaboratively with other disciplines and supervisors.
II. ENRICHING ELEMENTS
The following sections are enriching elements and not all may apply to you. List only those relevant to your current position.

Other Administrative (Supervisory) Responsibilities (% of time).
1. Has broad responsibility for a mental health or mental health specialty service or group within a small to moderate VAMC.
2. Responsibilities may span Primary Care, Mental Health, Specialty Care, Extended Care and Rehabilitative Services.
3. Has full responsibility for the professional practice of psychology, including services conducted by trainees, consultants and para-professional staff, and ensuring that all psychologists in the facility and its affiliated clinics meet the requirements.
4. Is responsible for professional supervision only for an additional ___ Psychologists administratively assigned elsewhere (e.g. GRECC, Poly Trauma, Research Service, VET Center).
5. Consults with and serves as a resource for other professional staff concerning the need for the development of mental health services.

Clinical Responsibilities (% of time).
1. Provides a full range of psycho-diagnostic services including assessment and using the most appropriate psychotherapeutic techniques in providing quality care.
2. Performs --- evaluations for ___
3. Provides a full range of therapeutic interventions including:

Academic/Teaching/Training: (x% of time)
